

# **2005 Annual Report Recreation Committee**

Listed below are the major accomplishments of the Recreation Committee during 2005:

1. Developed, refined and presented original/revised plans for the expansion and renovation of the Coronado Fitness Center.
2. Supported the purchase and installation of the new lighting board at the Coronado Community Center.
3. Evaluated and recommended a display case policy for all POA facilities.
4. Suggested restrictions on the use of designated powered watercraft on Village lakes.
5. Examined and recommended discounts for groups that hold regular membership meetings at the Coronado Community Center on annual contracts.
6. Investigated and recommended changes to the 2006 amenity fees structure.
7. Recommended Recreation Committee presentations at the monthly Newcomers' coffees.
8. Evaluated Lake Coronado Shoreliner's proposal for a new pavilion in the boat ramp area.
9. Proposed conducting a survey to identify youth recreational needs and supporting programs.
