Refund of an annual fee (green fee, cart lease, fitness center or Coronado tennis).

A refund will be given in case of death, to be prorated monthly from the month after death and paid to the surviving spouse or estate.

A refund will be given in case of a significant permanent medical disability for duration of fee year with the appropriate documentation from his/her physician, to be prorated monthly from the month after disability. The permanent medical disability refund is a one-time occurrence and the Property Owner forgoes the ability to purchase the same annual fee pass for any future year.

New volunteers and new employees are not subject to eligible to receive annual refunds.

Refunds must be requested in writing to the Director of the cost center or his/her assigns. Prorated refunds will not be considered for anything other than an annual fee listed above.

The following example describes the formula that will be used to calculate any refund.

The processing fee is $10

On March 15 a refund is requested on an annual fee of $750. The annual fee is divided by 12 months then multiplied by number of full months to the end of the calendar year.

$750 divided by 12 equals $62.50 per month times 9 full months remaining in the calendar year less $10 equals a refund of $552.50 plus any applicable sales taxes.

Annual fee divided by 12 months multiplied by number of full months to the end of the calendar year. A processing fee as set by the Board of Directors will be charged. A processing fee of $10 will be charged. This processing fee is set by the Board of Directors.
