From casual to elegant, the DeSoto Club Event Center, overlooking the DeSoto Golf Course, provides the perfect destination for your special occasion.

Built in 1972, the DeSoto Club Event Center was designed by famed architect E. Fay Jones, best known for his Thorncrown Chapel in Eureka Springs, Arkansas, and an apprentice of Frank Lloyd Wright. Surrounded by walls of windows, the Center is a perfect place to host weddings, anniversary celebrations, banquets, garden parties, dinners or more formal events.

Individual dining rooms can seat from 40 to 135 with the entire facility boasting both indoor and outdoor spaces. There is a maximum seating capacity of 300. A full service kitchen provides caterers with all of the necessary components including bone color dishware, white linen table clothes, and black linen napkins. The facility features a full service bar, a Yamaha C7 grand piano, and a portable sound system. An experienced technical staff is also available upon request.

“Would you like to have a great party in Hot Springs Village? We went to the DeSoto Club Event Center and had the best party ever. We put a fabulous party together for less cost-per-person than previous years and the staff made my job of organizing it a breeze.”

Host your upcoming meeting or special event, both large and small, at the Coronado Community Center. The Center offers a comfortable space for just a few or many more. Hosting numerous dances, arts and entertainment events, concerts and dances, the Coronado Community Center has been “The Meeting Place” in Hot Springs Village for more than 30 years.

Located in the Coronado Complex and surrounded by the Coronado Tennis Center, Bocce Ball Courts, and Coronado Fitness Center, the Center is truly a Hot Springs Village community hub. And, since the Center resides on the bank of Lake Coronado, it has an amazing patio space that hosts an annual art show, Oktoberfest, weddings, other social events and is perfect for your outdoor event.

The Community Center Auditorium offers a stage with event lighting and sound. The sound system is building wide and can be used throughout the facility or set up for specific spaces. A fully trained technical staff is available upon request. The Center also has audio visual equipment for use in the facility including projectors, screens, a laptop, television, DVD player, and a portable sound system.
Offering several additional meeting rooms that accommodate small and medium events including club meetings, dinners, seminars, classes and more is another reason the Center is known as a meeting place favorite.

The Center has a full service bar, a catering kitchen and a variety of table sizes, including round, square or banquet. White table linens are available, and the kitchen offers glass dishware for special dinner events as well as flatware, coffee cups and more.

“The staff at Coronado Center are great to work with. They set all up and our event went exactly as we planned.”

Opened in the early 1990’s, the Ponce de Leon Center is a unique combination of indoor and outdoor space located in the heart of Hot Springs Village on DeSoto Boulevard. With its proximity to Woodland’s Auditorium and the presence of the porte cochere, the Ouachita Activities Building hosts wine tastings, lectures, art shows, dinners, ice cream socials as well as meetings, seminars, classes and more.

The Ouachita indoor space can be rented separately with the availability of divider walls to make individual rooms or it can be opened to create one large space to accommodate approximately 150 for a seated event. Although kitchen space is limited to a small galley with prep space (a sink, microwave and refrigerator), many local caterers bring their own dish and flat ware for catering events at this facility. Table sizes include a multitude of squares with a few banquet sizes for buffet setups. Light gray table linens are available.

A sound system is wired in the two largest rooms or a portable system can be used in any space. A stationary wireless projector is also available as well as a laptop and screen for meetings at the facility.

The parking lot has become home to several special events including the Chamber of Commerce British Car Meet.
The annual Veterans Day Celebration is held in the parking lot close to the Veterans Memorial located by this facility.

The porte cochere (outside arch) offers a unique space for an event without the worry of weather. An annual wine tasting is held in conjunction with a dance here and it is also the perfect location for many events throughout the year. Celebrate your event at Ponce!

“For several years I have reserved space at the Coronado Center and the Woodlands for many events for the Village Chorale, HS/HSV Symphony Guide and the Hot Springs Community Foundation and have found the staff to be courteous and helpful.”
