Re:       Discussion - Proposed Revision to Research and Special Projects Committee Charter

The Research and Special Projects Committee reviewed its Committee Charter and recommends the revisions as noted on the attached red-lined copy.

The committee recommends the following revisions:

- Section III A. Organization and Appointment – removes language requiring committee members to have backgrounds in finance, project management or related fields. This deletion will allow members with diverse backgrounds to serve on the committee.

- Section IV. Assignments – delete in its entirety, as the intent is described in the Committee Purpose.

This will be discussed at the June 17 Board meeting.
