WHEREAS, Cancer research has led to an unprecedented understanding of the cancer cell. With this new knowledge, we are undertaking major efforts to prevent cancer, to reverse the process once it starts; to find ways to activate the body's own immune system, to use targeted therapy; and to treat the disease and its symptoms more effectively.

WHEREAS, friends of all cancer victims made a promise to continue the fight against cancer; and

WHEREAS, A PROMISE MADE IS A PROMISE KEPT through the upcoming “Village Walk for Cancer Research Day”; and

WHEREAS, our goal is to raise money and awareness to fight this insidious disease; and

WHEREAS, this event will directly fund the Winthrop P. Rockefeller Cancer Institute whose statement “Research Cures Cancer” fulfills our goals,

NOW, THEREFORE, I, John Weidert, by virtue of the authority vested in me as Chairman of the Board of Hot Springs Village Property Owners Association in the State of Arkansas do hereby proclaim September 30, 2017 as “Village Walk for Cancer Research Day”

And ask our citizens to join the fight against cancer with their participation and support on this day.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the Hot Springs Village Property Owners Association to be affixed on this 16th day of August, of the year of our Lord two thousand and seventeen.

Signed ____________________________
John Weidert, Chairman of the Board
Hot Springs Village Property Owners Association
