According to the Hot Springs Village, Arkansas Property Owners' Association Policy Guide, Article 5, Sections 3 and 4, the Member Privilege Designation Form must be submitted along with an assignment fee charged by the Association for handling such assignments. Property Assessments must be paid current as of the date of this designation. This designation of privileges may not be changed more than once annually. If the above two individuals are not in the same household, dependent cards are not allowed.

I understand membership cards will not be issued to me during the period of this designation unless the designation is cancelled (in writing) and cards issued to the Designee(s) are returned to Hot Springs Village POA. The Hot Springs Village POA will suspend all privileges if the assessments on the property become delinquent.
